ABOUT US

CV GLOBAL BERKARYA INDONESIA MANDIRI is a multi-sector corporate enterprise in Indonesia established to provide integrated, reliable, and high-standard commercial solutions. Built on a foundation of operational integrity, technical expertise, and client-centric innovation, our company operates as a strategic partner to private corporations, government entities, commercial establishments, and individual clients.

By consolidating expertise across human resource management, advisory services, electro-technical engineering, regulatory documentation, event management, procurement, civil construction, and spatial interior design, we deliver end-to-end execution that eliminates cross-vendor friction and maximizes efficiency.

CORPORATE MISSION & CORE PRINCIPLES

CORPORATE VISION

-  To become Indonesia's leading multi disciplinary commercial partner, recognized for absolute reliability, compliance, architectural precision, and organizational excellence across all operational endeavors.

INTEGRITY & QUALITY

-  Uncompromising quality control and strict adherence to statutory laws and safety standards in every operation.

SYNERGISTIC EXECUTION

-  Harnessing cross-sector expertise to deliver cohesive turnkey solutions from strategy to physical buildout.

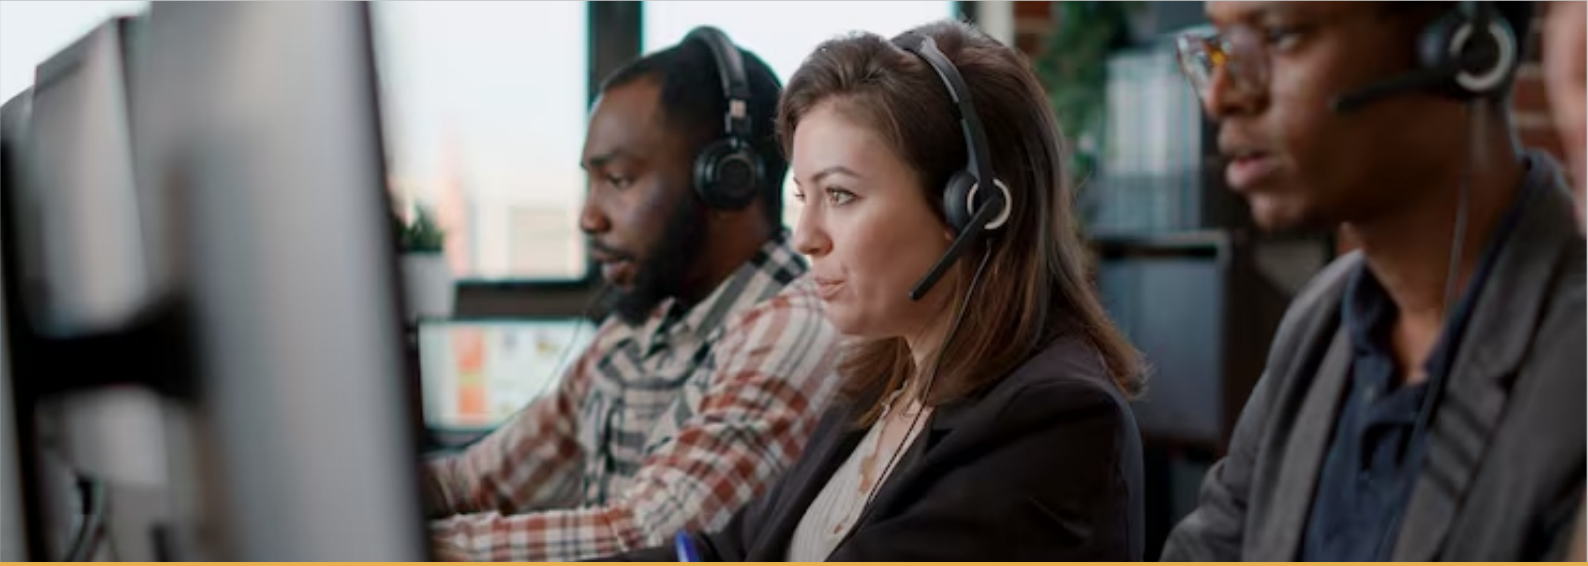

STRATEGIC MISSION

- To empower clients by delivering end-to-end management, engineering, and legal solutions that streamline workflows, protect assets, optimize efficiency, and elevate physical environments. 

CLIENT-CENTRICITY

- Customized service frameworks crafted specifically to meet the distinct operational needs of each client. 

SERVICE SECTOR DETAILS

WORKFORCE & OUTSOURCING SOLUTIONS

We provide comprehensively screened, qualified, and trained personnel designed to optimize client operational efficiency while reducing internal administrative burdens.

ELECTRICAL INSTALLATION & ENGINEERING

Full-scale electrical engineering services covering planning, installation, testing, and maintenance of low and high voltage power systems.

TAX, LEGAL & MARITAL CONSULTANCY

A multi-faceted consulting wing providing rigorous advice in financial governance, statutory legal compliance, and marital legal matters.

WORK PERMITS & DOCUMENT PROCESSING

Streamlined document processing services assisting international businesses and local entities through Indonesian regulatory frameworks.

SERVICE SECTOR DETAILS

EVENT ORGANIZER & MICE

Full-concept event production management for corporate gatherings, grand exhibitions, private ceremonies, and public events.

CONSTRUCTION & BUILDING REPAIR

Comprehensive civil engineering, new building construction, structural retrofitting, and residential/commercial renovation services.

GENERAL PROCUREMENT SERVICES

A dependable supply chain network supplying high-grade materials, industrial equipment, and operational consumables.

INTERIOR DESIGN & SPATIAL PLANNING

A creative spatial design studio crafting functional, aesthetically pleasing, and ergonomically balanced interior environments.

THANK YOU
